Прослухав вебінар на платоформі BrightTalk. How to publish an eBook?

Charlotte Cockle. Sep 14 2021 /49 mins. // This webinar is a guide to publish your research into an eBook, from the reviewing process to ethical issues in book publishing. The session will introduce best practice tips and hints when writing your book, highlighting the editorial process, and the main issues that face authors, reviewers, editors, and publishers on a day-to-day basis.

Presenter: Charlotte Cockle

Publisher for Agriculture, Biological and Food Sciences @Elsevier

Charlotte Cockle is the Publisher for Agriculture, Biological and Food Sciences at Elsevier. She leads an international team of acquisitions editors that research, acquire, develop, and publish research reference content under Elsevier's Academic Press imprint for over 22 disciplines. She holds a Bachelor of Science degree in Human Genetics from the University of Nottingham, UK, and after spending time as a Research Assistant at the Royal Veterinary College, London, she joined Elsevier in 2015.
